

Break 'Em Up! Is the Cry in Girls Softball

Dave Daniels Says
(Bacon Sales)

Howdy Folks:
There are several big advantages to the owner in having Studebaker service men lubricate his car. Nobody knows Studebaker cars like Studebaker service men. They know the parts to lubricate, how to lubricate them properly and they use the right lubricants in the right amounts. (Five different lubricants are required for lubricating a Studebaker car, and there are approximately 37 points which should be lubricated or at least checked.)

Ray Shorer, that lubricating specialist down at Bacon Sales, 1200 Pacific Coast Highway, is more interested than anyone else in seeing you owners get the utmost pleasure and satisfaction out of your car.

See Ya Soon!

Adv. DAVE.

Break up the Lomita Lassies! The cry went up this week as the murderous Lassies claimed their latest victims—the MGs—to the tune of 32-0.

The powerful girls softball team is leading the league and hasn't been beaten yet. Tuesday night the classy Lassies bashed 20 hits in four innings to humiliate the MGs by the aforementioned football score and Lassie twirlers Patsy Smith and Lila Cordway added insult to injury by making 11 of the 13 batters that faced them go down by the strikeout route.

Smith and Cordway allowed no hits as Miss Smith struck out five batters in the first two innings, then Miss Cordway came in and whiffed six in a row to end the game.

MG pitcher Nancy Humphries was touched for the 20 Lassic blows, including four hits in five trips by Lomita catcher Dot Nelson. Pat Smith lashed three for three while in the game, and

centerfielder Laura Talbert slapped three for five, including a triple in the first, and Joyce Bernhardt slammed a home run. The Lassies couldn't be stopped in the second inning, batting around twice to rack up 16 runs.

Rookies vs. Walteria
The Rookies stayed in the running for the Girls Softball pennant by thumping the Walteria girls 25-8 Tuesday.

Presently, the Rookies stand in second place, one game behind the Lomita team. In Tuesday's romp, the Rookies raked 18 hits off the offerings of Walteria chucker Joyce Simon while Miss Simon's teammates managed to collect nine safeties off Toni Martinez, Marilyn Edwards, Jean Brimley and Carol Christensen each sloughed three hits in five trips for the Rookies.

Judy Wright and Miss Christensen both larruped home runs. Enterprise vs. Miss Fitz. Enterprise won by forfeit over Miss Fitz in a Thursday game. Next Tuesday Enterprise meets the Rookies and the MGs take on the Harvey girls at Walteria Park.

Torrance Joins Coast League In Baseball; Hopes High for Pennant.

Torrance joined the Coast League in baseball this week—the Little Coast League, that is. As a parallel to the Little Leagues, an inter-city league for boys 12 and under has been formed between Torrance, Inglewood, Lawndale, and Gardena, with a regular playoff series at the end of scheduled play, just like in the Little Coast League's adult counterpart.

Games will be played on Thursday and Sunday afternoons at Recreation and Thornburg parks, in Gardena, and at Torrance Park.

Torrance has two teams in the league, "A" and "B," both sponsored by the Recreation Department and both under the direction of V. T. Vanderpool, who was instrumental in getting the league started. Vanderpool is being helped by Dick

Carson Takes Half A Game Lead In League

The Herald perpetual softball trophy slipped a full game out of National Electric's grasp Thursday night, but they may redeem it tomorrow evening.

Thursday, in a pair of heart-pounding, the Carson Merchants slid by the Marine Clerks 1-0, while Midland Rubber was upsetting National Electric 2-0, to go into a tie for second place and give Carson a game lead in league standings over Electric, going into tomorrow night's big one.

The Merchants and National Electric meet tomorrow night at Torrance Park. A win for Carson could firmly entrench them in first place while a win by Electric would put them back into a tie for first.

It took a yeoman pitching job by Midland Rubber ace Dick Guy to halt National Electric. They only managed to get a measly two hits off Guy, while Midland got three hits off Hal Neils but bunched them around walks and errors to score.

In the fourth inning, Midland second sacker Ron Rowlin drew a base on balls, stole second and then continued on to score when Electric catcher Frank Schmidt threw the ball away. They scored their second run in the sixth, when Charlie Ca-
